Analyze the Reformation of Thought in the Islamic World and its influence in Indonesia 13. Reconstructing the Islamic Reform Thought Movement in Indonesia
Content	<p>In this course, students learn the ulama's understanding of the main teachings of Islam, namely the Al-Quran and Sunnah. In general, the Islamic understanding of the Al-Quran and Sunnah was initially divided into two: Aqidah and Sharia. In accordance with the development of the times and its dynamics, thought in Islam has experienced a change in perspective (shifting paradigm) and expanded to various areas of thought, social, cultural, and political. The ulama's understanding of Islamic teachings has also developed so that students can learn about Islamic thought, Islamic law, philosophy, Sufism, politics, and reform in Islam.</p>
Examination forms	Written Test Examination
Study and examination requirements	System Pass Criteria : minimum written test score 67.5 (B)
